Analytical data	Alcoholic content: 13 % - Total acidity: 5.5 - pH: 3.6

750ml

Following hand-picking, the grapes are accurately culled at the winery. Fermentation starts just after soft pressing. The straw yellow color is bold and shining. The nose brings to mind notes of lavender, elderberry flowers, lemon balm and sage, heralding richer aromas of citron, honeydew and tropical fruit. From a gustatory perspective, it is smooth and sensual, flavorful and crunchy.
