<b>Analytical data</b>	Alcoholic content: 14.5 % - Total acidity: 5.7g/l - pH: 3.68

750ml

1500ml

Concentrated ruby colour in the glass. An aromatic framework that is dense and rich in shades of blackberry and blueberry jam, black cherries in syrup and then a thick cover of spices and roasting reminiscent of coffee, with bursts of herbs and balsam. The palate is strong, voluminous, vigorous, with copious, rounded tannins. Aftertaste in line with the characteristics of the nose: fruity, persistent and spicy.
