<b>Analytical data</b>	Alcoholic content: 13 % - Total acidity 5.6 g/l - pH 3.65

750ml 1500ml

Bright ruby red. On nose it reveals fresh aromas of black cherries, violets, blueberries, peonies, mineral hints and nuances of maquis shrubland. The taste is fresh, sapid, light, pleasantly fruity, subtly sapid, with gentle, well-tailored tannins.
